School was fun today. There is a new kid in class by gosh she's gorgeous, her names Lilith. There something strange about this girl she doesn't seem normal you get me like she some sort of different creature but not like a vampire werewolves kinda thing something different ehh should just ignore it might be the drugs side effects kicking in who knows right?

Night

Well I just received a phone call from the new gal asking me is she can stay the night she got kicked out of her home. I said yes, why? did I let her what is she going to think when she finds out i live in a forest ,well she here got to go to sleep goodnight journal.

Midnight

There is something strange about this new gal she been in my bathroom for 3 hrs with the lights off and a candle on, I pretended I was asleep."Que les âmes des morts poursuivre avec vous, ils peuvent vous guider vers l'enfer et peuvent-je regarder vous brûlez descendre en flammes pendant que vous souffrez pour rester en vie , muahaha "she said.I did search her apparently the only thing i found was her name which Lilith means something with spirits.Is she a demon? or is the demon her? she speaks french so i'm guessing those words she said were in french.
